

Must read - Username formats

Ask your teacher for your IDAM Username and Password

eduPass (student) username has two formats:

- **Simple:**
 - Example of student simple username: **abcd1**
- **Full:**
 - Example of student full username: **abcd1@schools.vic.edu.au**

As a general rule, when using a web browser you can use your **simple** username, whereas when using other apps you need to use your **full** username (for the first time only).

| Application | Username format |
|---|----------------------|
|  Adobe Creative Cloud (Desktop App & Adobe Programs) | Full / Simple |
