**SCHOOL RELAY FOR LIFE CHANGE OF TIME AND UPDATED DETAILS** - Mr Rhodes

Tomorrow, Friday, 4<sup>th</sup> March the College will be conducting a 'Relay For Life' event between 10.30-11.10am. The reason for the change of time is the predicted hot weather.

The UV radiation levels will be lower at that time of day than in the afternoon. We expect all students to apply approved sunscreen on exposed parts of their skin before the event.

This school event will be held in memory of Giovanna Ienco (former student). Her mother Angela Ienco will open the event. All students are expected to bring a gold coin donation for Cancer Research. The plan is for ALL students to walk around a track at school. Students who participate and donate a gold coin will be rewarded with a Zooper Dooper ice pole after the event. During the event there will be music playing and announcers updating us on class progress. Class teachers will be recording the number of laps completed by each child.

***The theme for the day is "Purple". Students are encouraged to wear the colour purple tomorrow.***

**PARENTS' CLUB EASTER RAFFLE** - Kyra Fetherston

A book of raffle tickets for the Parents' Club Easter Raffle was sent home with the youngest child in every family. There are ten tickets in each book at a cost of 50c per ticket. Please ensure books and money are returned by Wednesday, 23<sup>rd</sup> March.

The raffle will be drawn on Thursday, 24<sup>th</sup> March (last day of Term 1).

**Please send Easter Basket donations directly to your child's class teacher, as each class will then try to create the winning Easter Basket together with the donations they receive.**

**PRINTING CARDS** - Mr Rhodes

Printing Cards were distributed to students in Year 4-10 today. Students will use these cards to access printers around the college. They will be using the cards on a regular basis at school.

Students should keep them in a safe place such as wallets or pencil cases. Any lost cards that need replacement must be purchased by the student.

The older students can also use their card for out-of- school ID.

**PARENTS' CLUB FUNDRAISER - HOT CROSS BUNS**

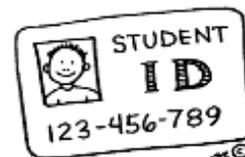

Parents' Club are selling hot cross buns to help raise funds for the school. An Order Form is attached to this newsletter. Orders need to be returned to the school with full payment by 15<sup>th</sup> March. Orders will be ready for collection on Wednesday, 23<sup>rd</sup> March.

**MERBEIN P-10 COLLEGE PARENTS' CLUB AGM**

Thursday, 17<sup>th</sup> March at 2pm. Location TBA.

Inquiries via Kyra Fetherston.

If these times do not suit, please ring the school to make other arrangements.

### **ROTARY CLUB OF MERBEIN – ‘ROTARY YOUTH PROGRAM OF ENRICHMENT’**

The Rotary Club of Merbein Inc. would like to invite applications from students from Merbein P-10 to take part in a Rotary Program (RYPEN) Rotary Youth Program of Enrichment, which Rotary District 9520 Team will be conducting for students from Sunraysia and the Riverland areas at Lake Cullulleraine from Friday 8<sup>th</sup> April to Sunday 10<sup>th</sup> April, 2016.

Students must be between 14 and 17 years of age.

The weekend long program will see students engaging with like-minded people, while having fun and learning new skills in areas such as problem solving and public speaking. On top of learning these skills, RYPEN will give students a chance to put these skills to practical use, through debate and physical activity.

The cost per student is \$200 of which the Rotary Club of Merbein is willing to assist financially, depending on the number of applicants.

Applications are now open and close today, 3rd March. More detail can be found at the following website: <https://ryla9520.org.au/rypen/>

For more information, please don't hesitate to contact members of the Rotary Club of Merbein Inc: Nicole Wright, Youth Director, 0423 946 618, Kay Wagner, President, 0498 252 580 or Brian Munro, Secretary, 5022 7091.

### **CONVEYANCE ALLOWANCE/BUS PASS** – Mr Rhodes

The Department of Education have a policy that provides free bus travel to eligible students. The key criteria states that the student's normal place of residence must be more than 4.8km from their nearest school travelling via the most direct route. The Conveyance Allowance Applications completed by families at the beginning of the year are entered into a Data System that is then accessed and assessed in Melbourne. The decision about eligibility for the Conveyance Allowance is determined by the Family Payments Section of the Department of Education.

Aside from the Conveyance Allowance our college also has two contract buses to service some of the areas to the west of Merbein. No bus pass is required to access these two buses, although the same eligibility criteria is used to determine students that are able to access the use of the bus. If you have any questions about the Conveyance Allowance Guidelines or procedures please contact Mr Greg Rhodes at school.

### **STUDENT ABSENCES**

If your child is away from school, please send a note or email the following address:

[Collihole.heather.h@edumail.vic.gov.au](mailto:Collihole.heather.h@edumail.vic.gov.au)

### **EMAIL ADDRESSES**

The school prefers to send the weekly newsletter and other important information home via email as this is the most reliable method. Please send your email address to:

[giddings.beth.l@edumail.vic.gov.au](mailto:giddings.beth.l@edumail.vic.gov.au) asking for the newsletter to be emailed to you.

***Please note that those few students in Years 8/9/10 who still require a hardcopy of the newsletter, will need to collect their newsletter from the main office at the finish of their last class at the end of the day each Thursday.***

# SECONDARY NEWS

## **STUDENT INTERIM REPORTS/PARENT TEACHER INTERVIEWS** – Mr Rhodes

In the week starting 14<sup>th</sup> March, all secondary teachers will be completing Interim Student Reports. The reports indicate student progress in some important areas including effort, work completion and student behaviour. These reports will be available for collection on Wednesday evening, 23<sup>rd</sup> March between 4-6.45pm. Most teachers will be available at these times to talk with parents about their child's progress and discuss areas for improvement if required. The secondary teachers will have tables and waiting areas set up in the Blue Building. No appointments are necessary as the interviews are to take no more than five minutes. If a longer interview is required a subsequent meeting will be made for another time. It is strongly advised that the students accompany their parents so they can listen to the teachers and can help their parents locate their teachers. If parents wish to speak with their child's teachers but are unable to attend on this evening they should contact their Learning Centre Leader or Greg Rhodes to arrange an alternate meeting time.

## **SUN SMART**– Mr Rhodes

All students have had our Sun Smart Policy explained at a whole school assembly. The policy was attached to a previous newsletter. The key message is that students need to take measures to protect themselves against over exposure to the sun's rays. At this time of the year the UV levels are regularly above safe levels between 9.30am-5.20pm each day whether the temperature is hot or cool. Each day, students receive information about temperature and UV levels in the Daily Bulletin. On days of extreme heat or UV radiation students are encouraged to stay indoors. They must stay out of direct sunlight during times of high UV radiation. Please ensure you supply your child with appropriate sunscreen. Students can safely lock their sunscreen in their lockers and use when required.

## **YEAR 7 IMMUNISATIONS**– Mr Rhodes

The first round of school immunisations will take place on Tuesday 8<sup>th</sup> March. All year 7 students have been given Immunisation Cards. The school Immunisation Program is an important health initiative in all Australian schools. The immunisations help protect students now and in future years from potentially devastating diseases and viruses. All students should return their completed cards to the general office ASAP.

## **NEW NETBOOK COMPUTERS** – Mr Rhodes

The college has purchased 100 new netbook computers for student use. These will replace the outdated netbook computers used in the college. Students are still encouraged to use the BYOD Computer Access if possible for their school work

## **YEAR 7 CAMP REPORT** - Hayley Hibberd

The Year 7's are back at school this week after returning from camp at Norval House in the Grampians last week.

All students who attended had a great time and engaged in a range of activities including rock climbing, abseiling, completing the pinnacle walk and facing obstacles on the High Ropes Course. Many of the campers showed their fearlessness and willingness to attempt any task put before them. There were however a few of the students who faced their fears and bravely attempted the terrifying obstacles before them, despite having an obvious fear of heights.

Students continued improving their skills as they progressed through the activities.

This camp provided our Year 7 students with an excellent opportunity to get to know each other and to form bonds that will continue to strengthen as they move through their future years of schooling at Merbein P-10 College. Most of the exercises completed at camp required the students to trust one another and have faith that they are part of a team who will support them. Our students proved to each other and their teachers that they are an extremely supportive and co-operative cohort. Congratulations to all campers who not only demonstrated their skills but also faced their fears and tackled great heights. It was an excellent camp where many students made friendships and memories they will carry with them beyond their schooling years.
