**PRINCIPAL’S REPORT**

Mr Graeme Cupper

**SCHOOL COMMUNITY LOSS**

As most parents and carers would now be aware, one of our former students died suddenly last weekend. The former student’s sister also attended Merbein P-10 College a number of years ago and his mother was a valued staff colleague in the secondary section for several years. Consequently this sad event has impacted heavily on both older students and staff alike. Our thoughts are with the family and friends.

As explained in a bulletin sent home to parents of secondary students yesterday, a support response team has been set up to help students and staff process and cope with this tragic event. Although it’s likely that the majority of affected staff and students will be in the secondary end of the school, it is also acknowledged some younger students may also experience effects.

For parents of younger children, if are concerned about your child’s reaction or their expressions of feelings about this event, please contact the school. Our wellbeing staff can provide some information and support that may assist you in conversations that your child may wish to have with you.

The school will focus on supporting all our students and staff as we progress through the next stages of management and recovery. A key part of this process will be returning the school to normal routines. However parents should not hesitate to contact the school for advice and guidance if you have concerns about your child’s wellbeing.
The majority of our secondary staff (teachers and ES support staff) will be attending a funeral service tomorrow Friday, 10th June at 10.30am so secondary classes will not be running as normal. We have received wonderful support from a significant proportion of secondary students and their parents/carers who have arranged for their sons/daughters to work at home tomorrow. I sincerely thank you for this support which will allow staff wishing to pay their respects to attend the funeral service.

Primary classes will run normally. Could parents of primary students please note that the canteen will not be running tomorrow, so please ensure your child brings a packed lunch and snack to school tomorrow, Friday 10th June.

DEPUTY PREMIER TO VISIT MERBEIN P-10 COLLEGE
I am pleased to confirm that Mr James Merlino, Deputy Premier and Minister for Education, will be visiting Merbein P-10 College next Wednesday, 15th June. Mr Merlino will make a formal announcement about the funding allocated in the Victorian State Government’s 2016-17 Budget to replace our Technology Building. Mr Merlino is also keen to meet with Merbein P-10 students, staff, parents and members of the wider community. Mr Merlino will address students, staff, parents and community representatives at a special assembly to be held at 10.15am. Parents are most welcome to attend this assembly. The May/June Student of the Month Assembly for primary and secondary sections will follow this special assembly.

YEAR 6 TRANSITION EXCURSION REPORT
Yesterday morning Merbein P-10 hosted approximately 100, Year 6 students who visited Merbein P-10 College as part of the annual transition process.

The visit went very smoothly even though Mr Morgan had to make some late changes to the program due to the rain. It was pleasing to receive feedback from students and parents that indicated the excursion was an enjoyable and beneficial experience.

I would like to thank the many staff and students who assisted with the planning and running of the program including the teachers who conducted lessons, staff who assisted with supervision and transport, the canteen and office staff and the student helpers and leaders. A special thanks must go to Mr Rob Morgan who worked closely with the primary schools to ensure our visiting students were welcomed and able to enjoy a well-planned visit.

We hope to see many of our visitors return in 2017 as Merbein P-10 College Year 7 students. Our Merbein P-10 Year 6 students will be given the opportunity to have their own special Transition Day in early Term 3 when the Year 10s are out on work experience.

GRADE 5-6 WINTER INTERSCHOOL SPORTS REPORT – Mr Lord

Last Thursday, 2nd June, our Grade 5-6 students (plus some Grade 4 students) competed against The Lake and Our Lady's Primary Schools. It was very pleasing to witness our students participating to the best of their abilities whilst displaying excellent sportsmanship. Unfortunately none of our teams will be going onto the next level but it certainly wasn’t from a lack of effort. Well done to all. A report on each sport follows.

I would like to thank the following Year 10 students who assisted with the coaching over the last month and/or umpiring on the day. Jarni Hay, Vhilla Evans, Steph White, Shae Congress, Jayden Curtis, Will Smith, Kyle Stevens, Jeremy Rodi, Oscar Riley, Josef Dolenc, Shania McKinnon and Ashlee Battin. Their efforts were greatly appreciated by all.

Netball Results - Two teams participated in the Netball Competition playing against The Lake and OLSH. The girls improved their understanding of the game and the different positions on court. Their skills improved throughout each game and all displayed a positive attitude.

Soccer Results - The soccer team played four games throughout the day. Scores were:

Merbein P-10 drew 0-0 with The Lake Primary School Girls.
Merbein P-10 defeated Our Lady’s Primary School Team #2, 3-0
Merbein P-10 defeated Our Lady’s Primary School Team #1, 3-0

The Lake Primary School Boys Team defeated Merbein P-10 8-0.

It was fantastic to see the improvement the students made with their soccer skills and knowledge of the game over the past few weeks. All the players did an amazing job considering that none of them play competition soccer and for many it was the first time they had played a game of soccer. Some outstanding players on the day were Omer Baykurt, Zak Peterson, Zac Lynch, Seth Colling, Montie Beckwith and Holly Strickland. Well done to all players who displayed determination, great sportsmanship and most of all had a lot of fun.

Hockey Results - Students had a reasonably successful day playing hockey for Interschool Sports. Merbein P-10 played The Lake Primary school who proved to be tough competition for all schools playing against them.

Merbein P-10 did an extremely good job to shut down their scoring in the first half. The Lake Primary School defeated Merbein P-10, 5-0. Merbein P-10 then played against Our Ladies for the final game. Ella Berryman scored 2 goals, Jade Follet and Brooklyn Tarrant scored 1 goal and Damon Spicer scored 2 goals. Merbein P-10 defeated Our Lady's Primary School 9-3.

There has been an issue with some of the new Sports Jackets coming unstitched on the side seams. If this happens, please return it to the school and we will send it back to the supplier to have them repaired.
