## PRINCIPAL'S REPORT

Mr Graeme Cupper

### PUPIL FREE DAY

I would like to remind parents that Friday, 3<sup>rd</sup> March will be a Pupil-Free Day.

One of the main tasks on that day will be preparing for the introduction of a new reporting system.

Supporting Student Engagement and Wellbeing will be another focus area.

Merbein P-10 College is proposing to introduce a Continuous Student Reporting Model this year. We have chosen to introduce the model at this time because in 2017 a new Victorian Curriculum is being officially implemented.

We propose to provide six reports a year. Reports on student achievement and attitude (both compared to their expected range) would be prepared for each subject area at Weeks 6/12/18/24/30 and 36.

Week 18 and Week 36 will coincide with the usual End-of-Semester Student Reports. At those two stages an additional page summarising achievement levels against the Victorian Curriculum Standards will be provided to parents.

To ensure the new approach is successful and effective we will be seeking parent and student feedback so that any suggested improvements can be considered.

The first reports will be in hard copy form but will be available online later this year.

Parents on our School Council responded positively to the new format when they were given a briefing on the proposed new model last night.

Parents should expect the new report in Week 7.

More information will be provided prior to their release.

## INTERSCHOOL CHESS TOURNAMENT – FOR BOTH PRIMARY AND SECONDARY STUDENTS – K. Fetherston

To be held Tuesday, 14th March at the Trinity Lutheran College. All participating students play seven games against students from other schools in the district.

Students will travel by mini bus to this whole day tournament. The cost will be \$10 per student (not covered by Primary Excursion Levy). Please see Mrs Kyra Fetherston if you are interested.

### OSHC FAMILIES - IMPORTANT INFORMATION

It is a requirement that all families re-enrol their children each year for the OSHC Program to ensure that all information is correct and up-to-date.

**New forms are available from the OSHC area in the green building and need to be completed and returned as soon as possible. Can families also confirm what days their child/ren will be attending the program for the year as days are filling up fast.**

**Our program runs from the end of school until 6.00pm each school night.** Cheryl Hodge is our school's OSHC coordinator and can be contacted on 0428 258035 if you have any queries.

### CONVEYANCE ALLOWANCE (BUS PASSES)

**Bus Passes have been distributed to students who have been deemed eligible this week. These passes must be shown every time a student uses a school bus.**

The Department of Education have a policy that provides free bus travel to eligible students. To be eligible, students' normal place of residence must be more than 4.8km from their nearest state school travelling via the most direct route.

Conveyance Allowance applications completed by families at the beginning of the year are entered into a system program which is then assessed in Melbourne. The decision about eligibility for Conveyance Allowance is determined by the Family Payments section of the Department of Education.

Aside from the Conveyance Allowance our college has one contract bus that services some of our students who live in an area to the West and South of Merbein. No bus pass is required to access this contract bus, although the same eligibility criteria is used to determine whether students are eligible to travel on it. If you have any questions about the Conveyance Allowance guidelines or procedures, please contact Mr Greg Rhodes at school.

Students who arrive at school before 8.40am can either go to the Breakfast Club, held in the Canteen or sit on the seats at the back of the Green Building until 8.40am. Students are not to play out the front of the Green Building until 8.40am when the front playground is supervised.

## BRAIN FOOD – Wendy Finn

Families are asked to send Brain Food to school each day with their children. Please prepare your child's fruit and vegetable Brain Food so it is quick and easy for students to eat as a little snack. It is great to see the students enjoying their Brain Food.

## NO HEATING FOOD – Wendy Finn

**Students food will not be heated at school.**

It is too difficult to tell if food is too hot or cold when heating in a microwave, so for safety reasons it has been decided that student's lunches and snacks will not be heated at the school.

## SEVERE FOOD ALLERGIES

There are students at the school with severe food allergies. Please remind your child that their food is not to be shared.

## WATER BOTTLES

Every student needs to bring along a plastic sport bottle of water (not soft drink or cordial or fruit drink, just water) to school every day to sit on their desks during class. Studies have proven that the brain does not function well if dehydrated. So it is best practice to drink plenty of water throughout the day.

NB: We have the refrigerated water fountain at school where the children can refill their bottles during the day.

## LEVIES – PRIMARY PARENT PAYMENT 2017

Thank you to the parents who have paid their levies. If you have not paid your levies, please call into the school office and do so as soon as possible or make arrangements to pay by instalments.

**LOCKS ON LOCKERS** – Mr Rhodes

Students are responsible for the security of their own equipment at school. We have supplied lockable lockers and have cameras set up at most locker locations. If a student has a BYOD computer or iPad they MUST use a lock on their lockers. It is strongly advised for all other students to use a lock on the lockers provided to ensure security. If equipment is lost from a locker without a lock on it, the responsibility for this loss will likely be borne by the student and the family.

**SUN SMART** – Mr Rhodes

Our Sun Smart Policy was explained to all the students during a whole school assembly at the beginning of the year. The policy was also attached to a previous newsletter. The key messages for students is that they need to take measures to protect themselves against over exposure to the rays of the sun. It does not matter whether the temperature is hot or cool at this time of the year, the UV levels are regularly above what is deemed safe between 9.30am and 5.20pm each day. Students receive information about temperature and UV levels in the school's daily news bulletin.

Please ensure you encourage your child to apply sunscreen at home in the mornings and supply your child with appropriate sunscreen that they can safely lock in their lockers and use when required.
